Translation
(el-en)*

A sixteen-week course that will provide you with solid skills and all the necessary fundamentals required for using legal English properly and translating the most commonly used legal documents from Greek into English.

The course at a glance

WEBINAR

*Legal
English &
Legal
Translation
(el-en)*

In this course you will learn the how & whys, do's & don'ts of translating legal documents from Greek into English with real-life examples and a wide number of templates.

Course delivery method

WEBINAR

*Legal
English &
Legal
Translation
(el-en)*

The course follows a blended-learning approach combining self-study and instructor-led online classes by using our state-of-the-art webinar room.

Learning outcome

WEBINAR

*Legal
English &
Legal
Translation
(el-en)*

This course will provide you with the required knowledge and skills to use legal English properly and translate boilerplate provisions that are common to the most commonly used legal documents. You will also acquire an understanding of important legal specificities of legal translation from Greek into English and a wide English legal vocabulary.

Your Instructor

WEBINAR

*Legal
English &
Legal
Translation
(el-en)*

Your instructor is an Athens-based lawyer and accredited mediator in Australia holding both civil and common law degrees with an extensive experience in translating complicate and highly demanding legal documents from Greek into English and a thorough knowledge of the Greek translation market.
